APPETIZERS

OYSTERS

fresh daily catch, while stocks last
4,95 each

SARDINES

Millésimé, in tins, printed with art from the 'La Perle des Dieux' brand. Once you have tasted these, you will never need anything else. Choose one of the vintages; the older it is, the more time it has had time to become even smoother and more refined in taste. We bring France to Groenlo with this delicacy and serve it with bread & butter.
Year 2022: 17,50 per tin
Year 2019: 19,50 per tin
